CLASS SONG  
(Tune - Heart of My Heart)

Dear Stanhope High,  
Oh how we hate to leave,  
All of our friends  
And teachers, how we grieve  
When we were freshmen  
Walking down the halls,  
We were kind of bashful kids  
But, oh those were the  
Good old days!  
Yes, Stanhope High,  
We're leaving now for good,  
Oh, how we hate to go!  
And though a tear does glisten,  
We want you all to listen  
To the song that's leaving  
Stanhope High!

press our thanks to our grade teachers. They are as follows: Miss Snodgrass (The present Mrs. Steene), Mrs. Arendts, Miss Isvik, Mrs. Holstrum, Mrs. Johnson, Mrs. Wells, and Mrs. Nelson.

In the fall of 1958 twenty new freshmen walked into the Stanhope High School assembly and took their seats. Lyle Moeller and Duane Tietjen were happy to begin the high school years with us. The class officers were Duane Tietjen - President, Russ Engelby - Vice President, Ron Magnuson - Secretary, and Darrell Johnson - Treasurer. Our class advisers were Mr. Arnold Bode and Mr. Charles Worsfold.

Our sophomore year brought more new experiences. This year we were the decorators for the Halloween Dance in the Community Building that was sponsored by the Law's Club. In the spring the Juniors asked us to provide the entertainment and do the serving for their banquet and prom. The boys did an excellent job of dancing, and the girls worked nice in the "nighties" they had made. Our officers were Lyle Moeller - President, Ron Fuller - Vice President, Jackie Hill - Secretary, and Sandra Hanson - Treasurer. Mrs. Darryl Passmore and Mr. John Bullen were our class sponsors.

The year of 1960 brought an excited group of Juniors together again for a third year of high school. We were fortunate to host for the seniors of the Junior-Senior Host. This was the first time the Juniors found any seniors, in fact we found three groups. A lot of people in the audience were surprised when they found out "who Killed Aunt Caroline" at our class play. Money was earned for the prom by selling magazines and by selling refreshments at the basketball games. We used as our theme, "The Roaring Twenties". The gym was divided into three sections. The first one was a bar, the second section a dance floor, and the third section a lounge. The class officers were Jackie Hill - President, Ron Magnuson - Vice President, Sandra Hanson - Secretary, and Duane Tietjen - Treasurer. Our class sponsors were Mrs. Richard Focht and Mr. John Bullen.

The Fourth and final year was one of the most important steps of our lives. Again we participated in the Junior-Senior Host, this time we had no groups were found. Our Senior Pictures were taken in October, so we had them back by Christmas. We had many projects to raise money for our senior trip to Colorado. Some of them were: bake sales, candy sales, a K.S.O. basketball game, a dance, and a car wash. Thanks to Miss Margaret Alexander, our director, the play "Mountain Girl" was a success. The Junior class gave a nice banquet and prom which we all enjoyed very much. Our class officers this year were Mark Coats - President, Ron Magnuson - Vice President, Lyle Moeller - Secretary, and Jan Miller - Treasurer. Mrs. Richard Focht and Mr. John Bullen were our sponsors. On May 24, sixteen graduates received their diplomas, which ended the time of graduating seniors from the Stanhope school. The 1962 seniors are: Richard Brekke, Mark Coats, Melvin Craven, Marian Dack, Russ Engelby, Ron Fuller, Sandra Hanson, Mary Haukeas, Jackie Hill, Larry Hill, Lester Hill, Darren Johnson, Richard Lieberman, Ron Magnuson, Julie Meyer, Jan Miller, Lyle Moeller, Larry Reinsch, and Duane Tietjen.

## Class Prophecy 1962

The year is 1962, the place is the new town of America's City located in downtown Stanhope. The Stanhope class of 1962 is gathering together on this day, May 21st, for a tour together of the World's Fair which is now taking place in Stanhope.

The first of our wealthy guests is arriving now. It's RON FULLER. Ron has been busy buying up the trucks in the Midwest with his money from Chevy. Ron told me he got tired of making payments on his fifteen cars, so he bought the whole corporation.

Next to arrive is MELVIN CRAVEN. Melvin has been busy running two gas stations, one in Stanhope and one in Dodge. Since his Chevy is a three year old he decided he would just buy a station, for you see, Melvin's 3 Chevy is getting pretty old now and it takes a tank of gas to get to Dodge and a tank of gas to get home, so he figures it would be cheaper to buy the gas stations.

Is that all I hear, yes, here comes RON MAGNUSON, the singer of our class while singing in a local contest in Dodge, a talent show he placed 1st in and immediately signed him. Ron has just received his two hundredth gold record, the title being, "Let's Do The Twitch."

Now entering is MIRIAM DICK. Miriam was Stanhope's first peace corps representative. She just flew back to the states from Russia. Miriam has been very, very busy trying to make the Russians give up their traditional folk dance for the twist. Welcome back, Miriam!

Well, if it isn't the Hill twins, LARRY and LESTER. These two have just returned from roller skating around the world, the odd thing about their trip was Larry got blisters on his feet so he had to skate on his hands while Lester pushed.

Driving past is DARRELL JOHNSON. Darren is now a full-fledged taxi-driver. He states he has taken a lot of taxi fares to Webster, Fawcett, Jewell, Randolph and Stratford to chase girls - just like he used to do.

Well, look who just came in, JANET MILLER. I hear that she is here to attend the World Chiropractic Convention and to see the fair. During her high school days she made so many trips to the chiropractor - I mean so much from these trips that she went into business for herself. She is now the president of the most powerful Chiropractic Union in the United States. It was nice that you could take time off from your busy schedule to join us here, Janet.

Is that the president of a basketball team? Of course, it is JACKIE HILL, our all-star of '82. Jackie has just arrived from Africa where she teaches Math and Science. Her school is located about two hundred miles to the north of Congo where the natives, as wild as they may be, are showing their appreciation for her. In her spare time, she shows them how to play basketball. Her favorite saying is, "On to State Tournaments."

Who has just arrived, I can't tell yet, oh now I see, it is JUDIE MEYER. Judie has had a hard time making up her mind what to do, she hasn't yet found a steady job. At all times she is ready for anything, some carries are on with her: pencils, pens, paper, hammer, nails, saw, glue, lesson plan book, basketball, etc. Just keep hunting, Judie, someday you'll find something.

Here comes RICHIE ENOCHBY who is now a nationally renowned celebrity. He was voted one of the nation's ten best dressed men by a national wide survey. I guess it goes back to his high school days. (Comes in dressed like a bum.)

I hear DUANE HEIFEN just landed. He is now the proud owner of his own airport in Stanhope. It's called, "Duane's Lane." Ten years ago, it was known as "Lovers Lane."

Oh yes, what do we have here (Richard Brooke carries in a typewriter with his fingers caught in between the keys). RICHARD BROOKE is now president of "Brooke Manmouth Key Typewriter Corporation." He manufactures typewriters with extra large keys for those unfortunate people who are always getting their fingers caught between the keys. It seems that he is sympathetic with these people for some reason.

Well, if it isn't MARK COATS. Mark is now Dean of Women at Radcliff (the exclusive girls' college of the East). After having so many brothers to look after he finally decided it was time more interesting to look after girls.

MARY HAWKINS is arriving next. It seems Mary was found aboard the last capsule shot of what is named the Hawaii. She made it as the "First Capsule Stowaway." In order for her to get back into the United States, she had to hula all the way back to Stanhope on her plane.

Coming now is SANDRA HANSON, I think. Sandra is now working at her own joint, "Sandy's Pad," which is the best beatnik hangout. Between her engagements she lives with her husband and their trip was a deserted island. Her latest accomplishment was, "How To Raise Beaters."

RICHARD LINDEMAN, the chief of minor reports of the World's Fair, is arriving now. He gained most of his helpful experience through endless hours of work at Stanhope High.

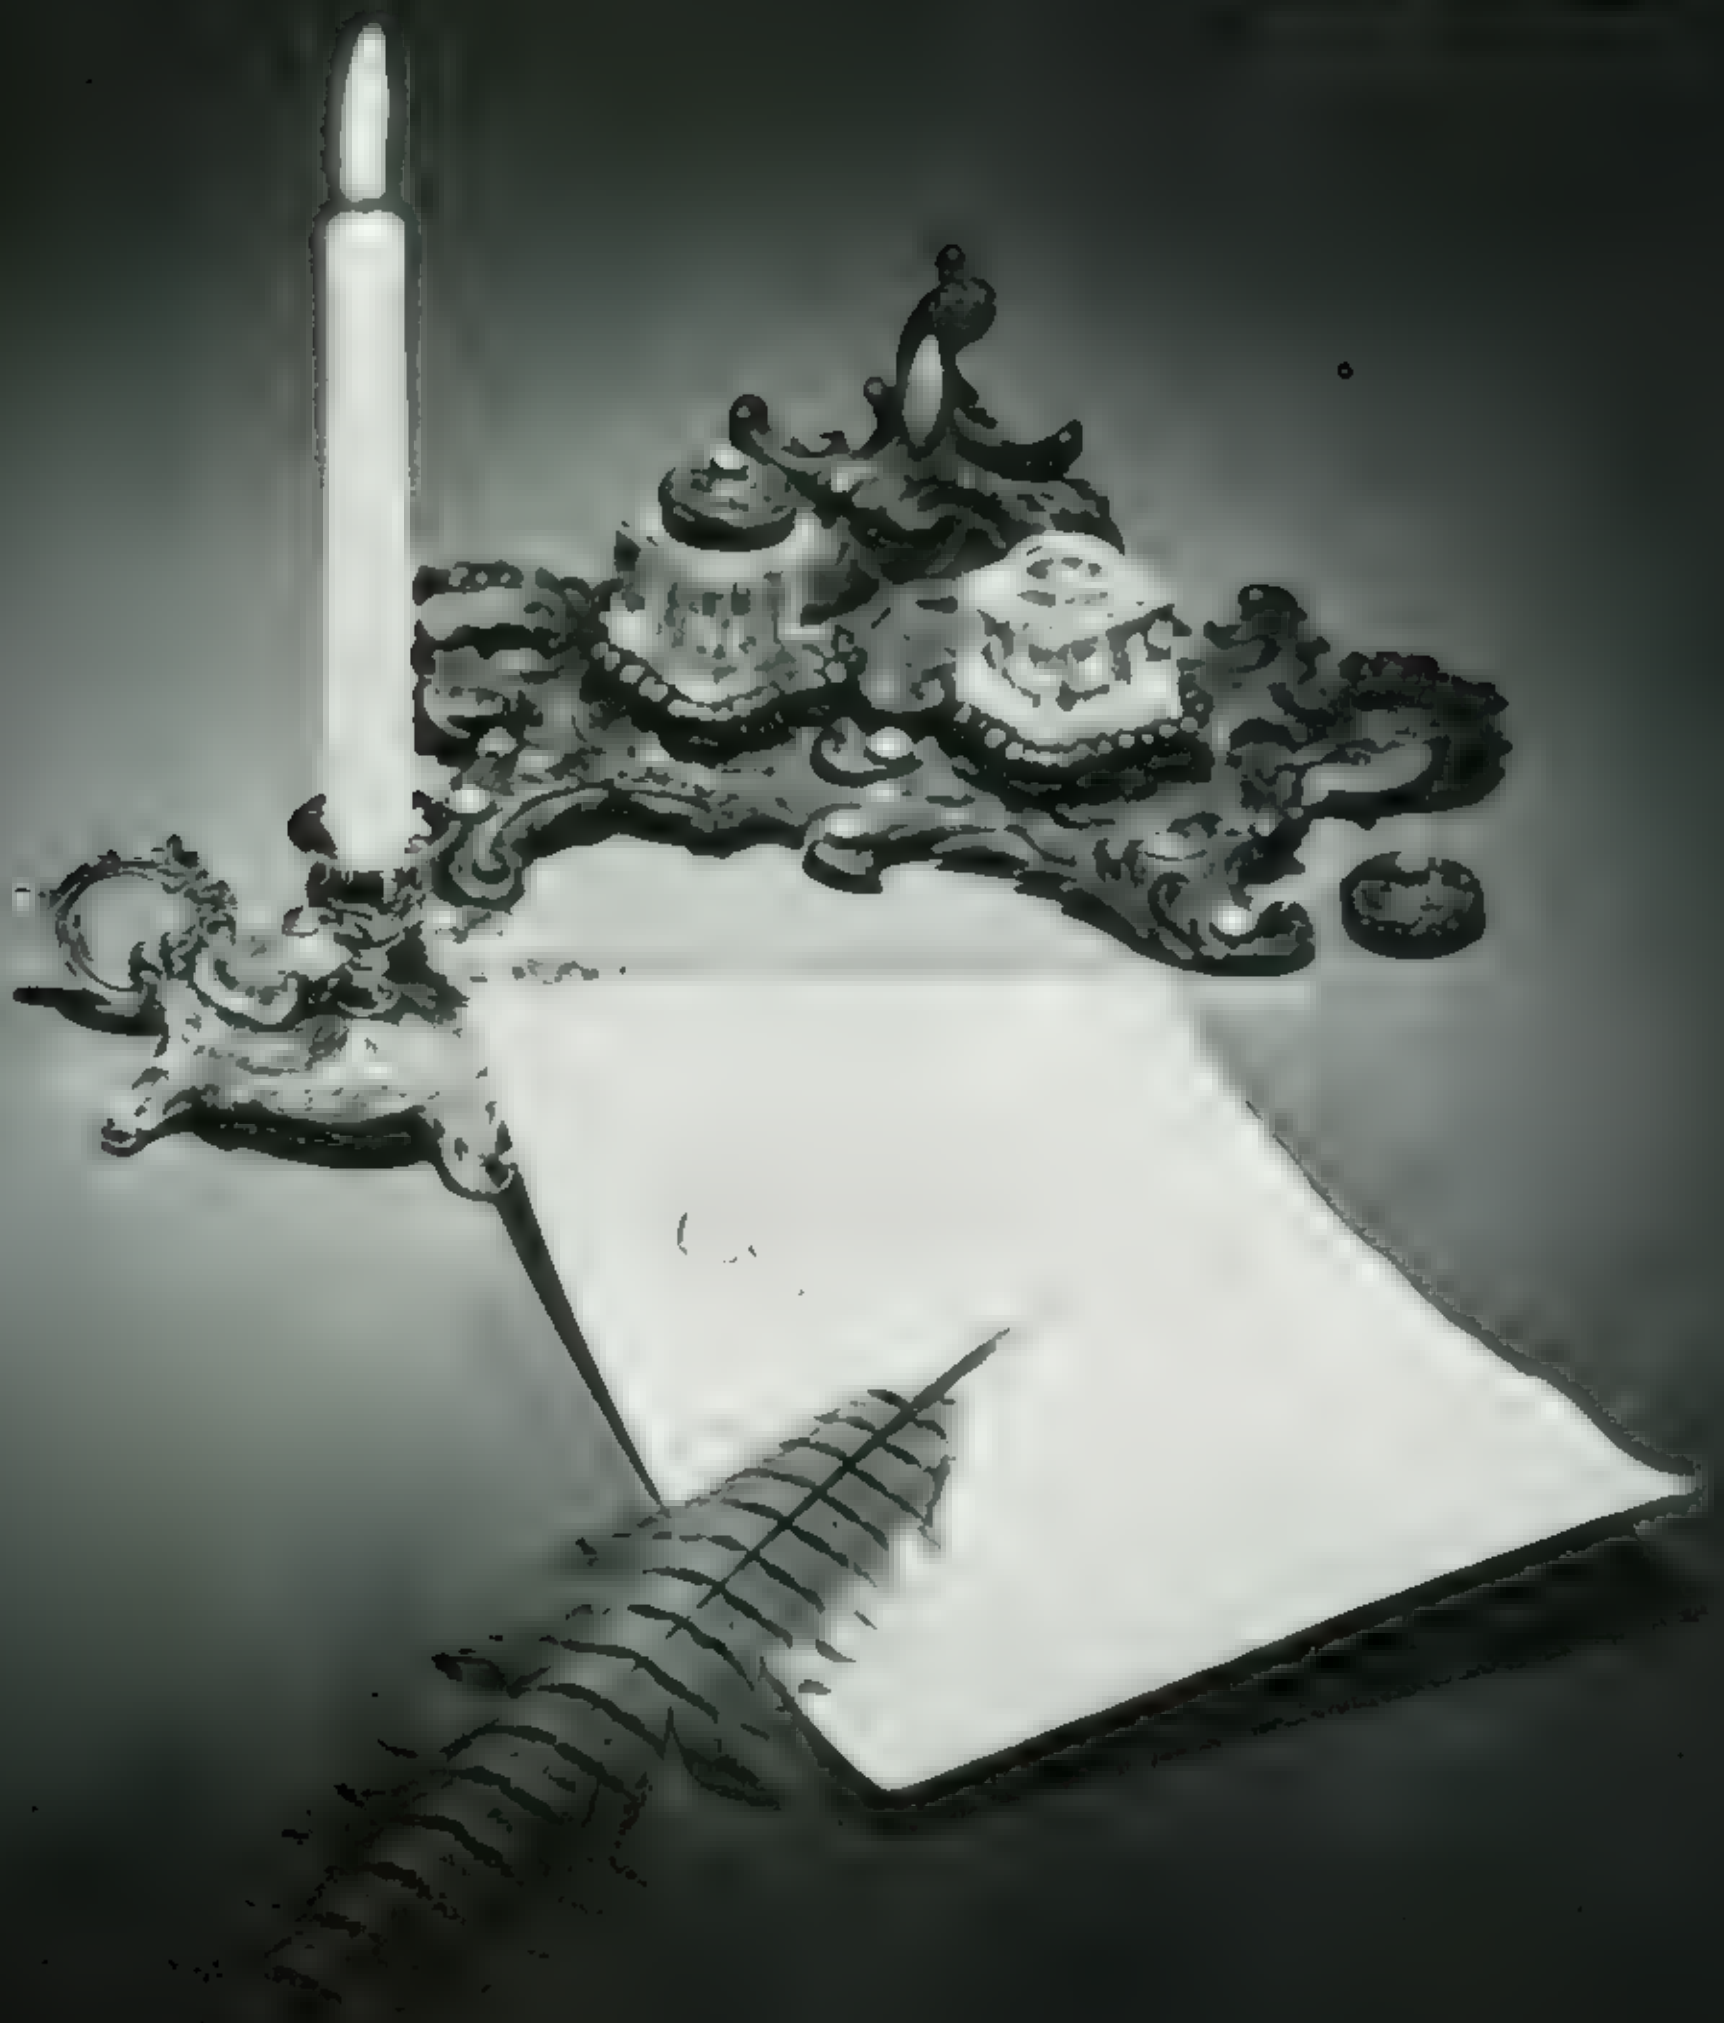

LYLE MOELLER, lately from Hollywood, just came in the door. Lyle is the latest earthtrot of hundreds of teenage girls. Any can see this hasn't affected Lyle in the least. (For wearing dark glasses, cigarette holder and flashy clothes).

Last, but not least, is LARRY REINSCY. Larry is now the owner of a thrill show. After snatching up fifty cars, Larry found his Waterloo when his youngest son ran over him with a roller coaster while enjoying the rides here at the fair.

The entire class of 1983 is back at Stanhope. We will leave them now to talk over old memories of their school days at good old Stanhope High.
